

*No other names encapsulate the world's greatest pianos...*

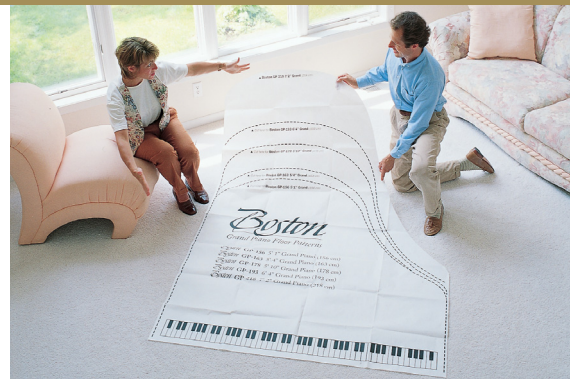

STEINWAY & SONS

The finest, most advanced, pianos in the world today are Steinways. Every single one is a handmade work of art. If your standards leave no room for compromise, you deserve the one piano in the world with standards to match. Steinway - only Steinway.

*Boston*

Completely designed and guaranteed by Steinway & Sons, the Boston piano is a carefully balanced blend of high technology, volume production methods and Steinway know-how. The result is a surprisingly affordable piano of exceptional power, quality and performance.
